**Pacific Coast Society  
for Prosthodontics**

**We would like to thank you for your contribution to this years' Annual Meeting and any years prior.**

The partnership between your company and PCSP is a sign of your commitment for which we are extremely grateful. We want to learn your expectations and meet those moving forward in future years.

Please come and enjoy a unique opportunity to meet and socialize with leading clinicians and dental educators from the Western, USA, Canada and the Pacific Rim. Our meetings are recognized for offering a world class scientific program combined with social activities in a relaxing and more intimate atmosphere.

The membership of the Society consists of approximately 140 nationally and internationally recognized Active, Associate, Life and Honorary members who are specialists in prosthodontics and general dentistry.

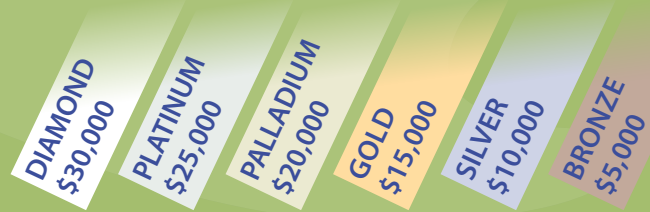

Our Society hosts its Annual Meeting and Scientific Session every June at resorts and hotels throughout the Western United States, Canada and occasionally Hawaii. The Pacific Coast Society for Prosthodontics prides itself in providing an academic and social environment that will help develop personal relationships and improve prosthodontic patient care. In addition, the meeting hosts 500-600 attendees, including prosthodontists, general dentists, periodontists, and oral surgeons as the California Society for Periodontists, Western Society for Periodontists, and the Western Society for Oral and Maxillofacial Surgeons are special guests of the meeting with speakers of interest provided for all.

**ADA C.E.R.P.®** | Continuing Education  
Recognition Program

*As an ADACERP Provider of education, the educational scientific program will be held in the "Scientific Sessions" conference room and no commercial banners or advertisements are permitted during the scientific program. The annual meeting will have a specific location designated as the "Exhibit Hall" for sponsors and exhibitors. Separation of the scientific component of our program from corporate sponsorship information and presentations are required for this annual meeting program and are carefully planned to restrict conflict of interest for the scientific sessions.*

## "Dentistry 4 Vets"

### Pacific Coast Society for Prosthodontics "PCSP VPS - Veterans Prosthodontic Smiles" Service Care with Concurrent Continuing Education Program: Operations Description

[Learn more about  
"Dentistry 4 Vets"](#)

The Pacific Coast Society for Prosthodontics has an opportunity to provide dental service care in a partnership with **"Dentistry 4 Vets"** a non-profit service organization located on the Monterey Peninsula founded by Dr. George Yellich, OMS in Monterey, California. Dr. Curtis Jansen, a former board member of the organization is also the PCSP 2024 Local Arrangements committee chair is involved in this organization. Patients may be provided by **"Dentistry 4 Vets"** and the newly constructed and opened **Major General William H. Gourley Veteran Hospital** of the Monterey Peninsula. This opportunity is especially of interest as the 2024 PCSP annual meeting is in Monterey, June 19-22, 2024.

### The details of the "PCSP VPS - Veterans Prosthodontic Smiles" program are the following:

1. PCSP members volunteer to provide complete denture care with and without dental implants to 12 veterans who reside in the Monterey County areas, January 26, 2024. Other PCSP members in the neighboring California counties may also participate as needed. 6 PCSP members are encouraged to participate. Participating members must have a current California dental license.
2. Corporate Sponsors are invited to support this initiative, specifically digital denture technology will be utilized along with conventional analog denture technology. Implant overdentures may also be included with the proper planning. Sponsors contribute to the 2024 Annual meeting to participate in this event.
3. **Innovations with Digital Dentures and Implant Retained Dentures** is the continuing education program slated for Friday January 26, 2024 as a concurrent continuing education program with lecture, hands-on training, and live patient care available with limited attendance to 12 dentists in the local area or other interested in learning one-on-one with our prosthodontic faculty and learning the digital denture technology. Attendees will participate in the lectures, hands-on exercises but will only observe in the actual clinical procedures. Clinical operations will be located at the prosthodontic office of Dr. Curtis Jansen and adjacent locations in Monterey as needed. PCSP members may volunteer for the service case and course providers. Course summary and course objectives are forthcoming. The PCSP will be the provided of ADACERP verification letters.

*Continued on next page.*

## The details of the “PCSP VPS - Veterans Prosthodontic Smiles” program continued:

4. Registration and advertising for the CE program will be managed by the corporate sponsors as they may provide a speaker and materials. Registration fees for 3 modules will be retained by the PCSP 16 hours of ADACERP CE provided.

### 5. The Program will consist of 3 modules and 16 hours of ADACERP CE Credit:

**Friday, January 26, 2024: Innovation with Digital Dentures- Module 1:** Course begins with guest lecturer. Clinic facility provided by Dr. Curtis Jansen. The clinical goal is to complete final impressions and jaw records, tooth selection. Denture teeth may be pre-ordered from Dentsply to initiate esthetics at this appointment. **UCSF, UCLA, Loma Linda graduate prosthodontic residents may be invited to observe clinically and participate in the lectures and hands-on workshops.**

**Friday, April 26, 2024: Innovation with Digital Dentures- Module 2:** Course begins with guest lecturer, return to clinic for final delivery complete dentures. PCSP EC members may volunteer and members in neighboring counties may volunteer. **UCSF, UCLA, Loma Linda graduate prosthodontic residents may be invited as this is the week of National Prosthodontic Awareness week with the American College of Prosthodontists.** The PCSP may also provide a short summary of these activities for the ACP national prosthodontic awareness week, **NPAW** - *date needs to be confirmed.*

**Saturday, June 22, 2024: Innovation with Digital Dentures- Module 3:** Final course meeting (last day of PCSP annual meeting) and clinical post operative adjustment Saturday, June 22, 2024, 2:00-4:00pm. **Attendees of the course are invited to attend the PCSP annual meeting at a discounted registration fee.** UCSF, UCLA, Loma Linda graduate prosthodontic residents are invited for the last appointment.

6. Corporate Sponsors provide sponsorship for the 2024 Annual meeting only which fund educational expenses for both the interim and annual meeting. Sponsorship prospectus will detail the sponsorship request and benefits for both the interim and annual meeting.
